EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- a. In claim 11:
 - i. The word "device" (at line 1 first occurrence) has been changed to -method--.
 - ii. The word "device" (at line 1 second occurrence) has also been changed to -method--.
2. The reasons for the above amendments made by the examiner are that:
 - a. Claim 11 depends on claims 1 and referred to claim 1 as "the device", which referencing is contradictory with the recitation of claim 1 since claim 11 is actually "a method", rather than a device.
 - b. The phrase "the device" (second occurrence) has also been changed to "the method" so as to avoid antecedent basis problem in the phrase "the device" (second occurrence) since the phrase "the device" (first occurrence) has been changed to "the method".
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ly V. Hua whose telephone number is 571-272-3853. The examiner can normally be reached on Monday to Friday from 9:00 AM to 5:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Vu Kim, can be reached on 571-272-5858. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>.

4. The applicant is hereby notified that:
 - a. The new phone number for TC 2100 receptionist is (571) 272-2100.
